FOODIE'S DELIGHT

From the **Taste for a Cure** auction for UCLA's Jonsson Comprehensive Cancer Center, held at the Beverly Wilshire (where guests sipped vino from Oakville Winegrowers), to the **Seventh Annual Bogart Wine Aficionado Dinner** at the Walt Disney Concert Hall (where Joachim Splichal's dinner helped raise \$205,000 for the Childrens Hospital L.A.), food lovers did good. Over at the WB's Midwest backlot the **20th Annual Culinary Evening with the California Winemasters** benefiting the Cystic Fibrosis Foundation raised \$1.5 mil, then it was back to the Bev Wilshire for the **The Heart Foundation at Cedars-Sinai's Gala** honoring Wolfgang Puck for his on-going philanthropy. —*Nairi Najarian*
